

Center of Social  
Innovations

annual report  
2018

## about us

---

The organization was officially registered on 19th July 2013. Since that time its members have participated in more than 75 public, research, creative, scientific projects and also have co-organized 37 projects.

Members of the organization have more than twenty years of experience in various types of social activities, have appropriate education, possess the necessary knowledge and skills to implement projects in various spheres of public life. Members use their own personal computers, office equipment and premises for the purpose of the organization.

There are signed contracts with the Regional Branch of the National Institute for Strategic Studies and Lviv National Academy of Arts to organize different events in their premises

## our mission

---

Promoting civil society  
at all levels and in all forms

---

## education and science

---

22–23 June 2018: NGO "SCI" co-organized an Education Forum "Create!". The participants were teachers and specialists in different fields, who shared their experience of creative approaches to education. Representatives of SoftServe, The LEGO Foundation, PPV Knowledge Networks, COSMOS Prefab participated in the activity. Omer Zakai, director of Education Cities (Israel) was a special guest. Program of the Forum includes debate clubs, art labs, trainings, workshops, integrated lessons, etc.

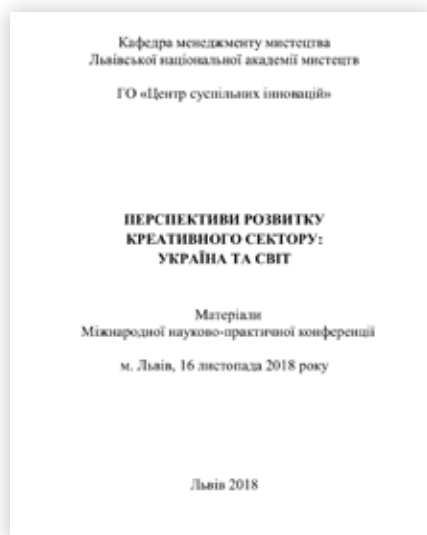

## education and science

---

**16 November 2018:** NGO in a partnership with Management of Arts department of Lviv National Academy of Arts organized and held VII International conference «Perspectives of development of creative sector: Ukraine and the world» (Lviv). The participants were: students, graduates, professors, scholars and other interested people from different Ukrainian cities and abroad.

The materials of the conference were collected in to a printed issue.

## education and science

---

23-24 November 2018: NGO “CSI” together with “Space of educational initiatives” of Ukrainian Catholic University, Lviv City Council IT department and STEAM space organized II Forum of Innovative Education INED. The Forum became a platform of promoting digital educational technologies and modern approaches towards governing the education system of Ukraine. The event touched the questions of inclusive education, innovative approaches towards teaching and managing educational institutions.

A two-day event gathered teachers, specialists in digital spheres, managers of successful social and art projects, directors and experts from Ukraine, Germany, Poland and Israel.

14 February – 26 March 2018:

NGO co-organized (with Lviv National Academy of Arts and other partners) the exhibition of Art workshop “Oberih” named “Genetic code of Bakhmut”. The exposition included the Ukrainian art-works from the museums of Bakhmut (the East of Ukraine, Donetsk region). Svitlana Kravchenko was the coordinator. She leads the group of Ukrainian enthusiasts renewing Ukrainian cultural heritage on the East of Ukraine. Ukrainian embroidered shirts, costumes and towels from the region were exhibited at the event.

---

## socio-economic development

---

2 May 2018: Mariya Fleychuk organized a training on counteracting shadow economy, corruption and money laundry within the program “School of Halycian Politicians” in Lviv .

## socio-economic development

---

10 August 2018: the experts of NGO “CSI” participated in a round table “Challenges at the Western Borders of Ukraine: geopolitical, ethno-cultural and ideological-informational”. Scholars, local deputies and representatives of local authorities and civil society of all the regions of Western Ukraine.

## socio-economic development

---

**25 October 2018:** the CSI experts participated in a scientific seminar “Crisis management : financial and system aspects” at Lviv state university of internal affairs. Mariya Fleychuk and Olesya Datsko had a speech on registration and use of national heritage in the system of national security.

## cooperation with state authorities

---

In 2018, the NGO initiated a number of inspections on the observance of the monument protection legislation during the construction processes in the city of Lviv, in particular the State Architectural and Construction Inspection, the Department of Cultural Heritage Protection of the Lviv Regional State Administration, as a result of which orders have been issued for the prohibition of illegal construction works which threaten the destruction of historic sites of cultural heritage.

CSI members are permanent member representatives at the public council at the Lviv Regional State Administration.

CSI member Olesya Datsko held the position of chairman of the Commission on Illegal Construction at Lviv City Council. NGO representatives are also members of the Interim Conciliation Commission for Urban Dispute Resolution at the Lviv City Council

In addition, the members of the NGO are co-partners in a number of lawsuits concerning the protection of cultural heritage, in particular, the recognition of the order of Lviv Regional State Administration to head to liquidate the State Historical and Architectural Reserve in Lviv and the statute of the territorial community of Lviv. projects of city planning documentation and others.
